

Kawartha Lakes
ONTARIO HEALTH TEAM
Connecting local care

AT A GLANCE

Kawartha Lakes Ontario Health Team (KL-OHT) is a group of healthcare providers and organizations as well as patient, family and caregiver members working together toward a common goal of improving health outcomes.

Our purpose is to have a relentless focus on supporting people to live their healthiest possible life.

OUR VISION

A seamless health system for the people we serve.

WHAT THIS MEANS FOR YOU

Below are ongoing projects that support our journey of connecting local care. These projects aim to improve the experience of our community on their healthcare journeys.

WE ARE WORKING TOWARD:

- Providing the choice to make medical appointments online
- Offering home visits and monitoring of conditions for people with chronic illnesses
- Making it easier for you to find information about local medical services
- Offering opportunities where you can provide feedback to the KL-OHT and have a say in your healthcare
- Working with health service providers to better coordinate care offered in Kawartha Lakes

GET INVOLVED

Join us as we work together to connect local care. We're looking for patients, clients, caregivers and family members to share their experience using our local healthcare system.

Patient/Client Partners of the KL-OHT have the opportunity to provide feedback that will help shape the future of our local healthcare and services. You can request to participate in any of the followings groups:

- Patient and Family Advisory Council (PFAC)
- Operating Committee
- Care Navigation Working Group
- Digital Working Group
- Engagement Working Group
- Oversight Committee
- Governance Working Group
- Unattached Patient Working Group
